**Autumn Equinox: Dance Prayer for Peace
7PM - 9PM**

East End Arts Grounds

Gather with us on the Eve of the Autumn Equinox to mark this moment of seasonal balance and commemorate International Peace Day. This is a unique opportunity for individuals of all ages and abilities to experience the simple, yet powerful, participatory performance of the Planetary Dance, scored by Anna Halprin to heal and renew ourselves, our community, and the Earth. This year our intention will coincide with Jeremy Gilley's vision of a Global Cease Fire, Peace One Day. Join us as we blend these movements to imagine, create and celebrate both our personal and planetary progress toward a Culture of Peace through movement, drumming, chant and song. Facilitator: SusanMerrie Hellerer. Drummer: Jerome Liggon. Suggested Donation: \$10. To register or for more information call: 631-765-6284.
