

LIFE.ART.BEING 2016 portland PLANETARY DANCE

Created by Anna Halprin, this dance is a ritual of healing and community renewal. It is an invitation to people all over the world to join in a dance for peace in their own communities and for peace with the Earth. It brings people of all ages and abilities together in a beautiful setting to “dance for a purpose”.

DEDICATE YOUR DANCE

- to someone in your life who needs healing
- to a common cause
- to the children & other future beings
