We invite people of all ages and abilities, from children to adults, to join us in the **Planetary Dance**, a community dance ritual for peace among people and peace with the earth. Create a resonant call for PEACE AND COMPASSION in all circumstances .

The Planetary Dance, created by **Anna Halprin**, is taking place in many countries around the world and is celebrating its 38th year. The dance is free of cost and simple to perform, allowing all to participate.

“When enough people move together in a common pulse with a common purpose, an amazing force takes over . . . a power that can renew, inspire, teach, create and heal” (Anna Halprin).
